

## Working With The Dataset

### Loading the Dataset

|              |                                       |
|--------------|---------------------------------------|
| Date         | 30 October 2022                       |
| Team ID      | PNT2022TMID40488                      |
| Project Name | Corporate Employee Attrition Analysis |

#### Loading the Dataset :

Loading the datasets in the IBM Cognos to prepare and Analyze the Datasets.

The image shows two screenshots of the IBM Cognos Analytics with Watson interface. The top screenshot displays the 'Quick launch' section with four main actions: 'Upload data', 'Prepare data', 'Exploration', and 'Present data'. The bottom screenshot shows the 'Content' view, which lists several uploaded files under the 'My content' tab. The files are categorized by type (CSV or XLSX) and show their upload dates and times.

| Name                     | Type          | Last Accessed       |
|--------------------------|---------------|---------------------|
